Dear Ken:

This is the information that Kelly Riley emailed me for your information. We are in preparation for our December Board meeting as I mentioned on an earlier email. I have called Senator Chaney and left messages on his voice mail congratulating him on winning and I am trying to verify if Senator Chaney and Representative Clark will be attending the Awards Luncheon and Board Meeting on Dec 3-4, 2003 in Washington. If you have information concerning their attendance please let me know or should I try and follow-up with them regarding their attendance, in order to get their social security number, etc.
